

Lord I come to You      Let my heart be changed, renewed  
Flowing from the grace,    That I've found in You  
Lord I've come to know    The weaknesses I see in me  
Will be stripped away    By the power of Your love

Hold me close      Let Your love surround me  
Bring me near      Draw me to Your side  
And as I wait      I'll rise up like the eagle  
And I will soar with You    Your Spirit leads me on  
In the power of Your love

Lord unveil my eyes      Let me see You face to face  
The knowledge of Your love    As You live in me  
Lord renew my mind    As Your will unfolds in my life  
In living every day    By the power of Your love
